CLOAKROOM CHANGES

Restructuring of the school's library and reading resources has meant that we are able to create a new, small cloakroom where the old school library used to be. Hopefully, the conversion will be completed in the very near future. Year 3 will then move into the new cloakroom. The other KS2 year groups will also benefit as their existing cloakrooms will be far less congested.

ADVENTURE PLAYGROUND NEW EQUIPMENT

Later this term the old climbing wall will be removed and replaced by a tunnel net similar to the one pictured above.

We also plan to replace the climbing bars with some new playground equipment during 2019.

We would like to thank FOBS who are financing these improvements.

PUPILS ENJOY NEW PLAYGROUND MARKINGS

During the Christmas holiday we had lots of new games marked out on the playground. The brightly coloured markings are designed to encourage pupils to participate in a range of fun activities. In the picture below one pupil acts as the lead and the other five have to copy his movements.

PARK AND STRIDE

We have received a number of complaints from local residents about inconsiderate driving and parking by parents near the school.

PCSO Darren Bainton will be monitoring the situation closely in the coming months.

If you don't already, why not make "Park and stride" with your child each morning and evening.

If you have to use a car to transport your child you can park at the village hall and walk the short distance to school.

This approach would be healthier and would avoid the congestion in Highfield Crescent.

REVEREND MAGGIE

Revd Maggie Jeavons will be making a final visit to our school later this month before retiring from her post.

Maggie has been a great supporter of our school in recent years and we will be very sorry to see her go.

No immediate replacement has been made but our link with St Peter's Church will continue.

PE KIT & INDOOR SHOES

We ask parents to ensure that their child has labelled PE Kit and indoor shoes at school every day. Parents will be contacted if they fail to comply with this request.

SCHOOL DINNERS MEAL DEAL

Our meal deal is £10.00 for a week of hot school meals. Your child will only qualify for this discount if we receive the payment at the start of the week. All other hot school meals will be charged at £2.30 per day.

AFTER SCHOOL CLUB & BREAKFAST CLUB

Both our Breakfast Club and After School Club are really popular and well attended. If you want to know more about the charges and how to sign up for them please ask at the School Office or refer to our School Website.

EAST RIDING MUSIC SERVICE

WOODWIND GROUP PERFORMANCE

Each year the East Riding Music Service teachers form into groups and perform to schools on request. Recently we have had guitar, percussion, and brass groups. This year it was the turn of the woodwind group to visit us just before Christmas.

In a fantastic performance, lasting nearly an hour, the teachers taught us about the instruments that they were playing whilst really impressing us with their talents.
