

Mrs Schultz and Year 5.
Summer Term Newsletter
2019

We are excited to be learning Spanish again with Mrs Hairsine and brass instruments with Mr Wadsworth.

Welcome back after the Easter break. We are looking forward to studying all about British leisure and entertainment since 1945. We will be looking at fashion, pop music and art of that era. Our final year 5 school trip will be to York, to a 1960s workshop day. We are going to be learning more classic poetry, with a taste of Shakespeare and learning about probability and reflection in maths. Lots to be excited about! In DT, we are making a cam and follower mechanism and tie-dye T-shirts! A fun and inspiring final term ahead!

Things To Remember!

P.E. Days - Yr 5 need a white T-shirt and blue shorts and an outdoor kit including trainers, each **Wednesday** please. Please send P.E kit on a Monday to allow us the chance to exploit the good weather and get outside as much as possible.

Outdoor and Indoor shoes ~ To ensure that we look after our school, please can each child have black sandshoes to change into during lesson time?

We will continue to learn spellings and x tables and we encourage children to practise at home, whenever possible. The **Homework** set in year 5, will be Maths, spellings and guided reading. The children can do the homework during break times if they are not able to do it at home. The children who embrace the homework, are giving themselves a really good start for next year, as we try to consolidate the classroom learning in the given tasks.
